About Us

Hazels is a music-led restaurant & wine bar located in the heart of St Albans, with a warm & relaxed atmosphere. We use the highest quality ingredients from local suppliers & artisans to produce a menu based on classical French cookery from Chef Drew Knight. Our vintage music system & in-house vinyl collection creates a backdrop like no other for any event or celebration.

Within this private hire pack you'll find details of our standard menus & pricing. We are also able to accommodate bespoke requirements so please don't hesitate to get in touch if you can't find what you're looking for here.
